KEYNOTE SPONSOR  
OF NM TRANSCON 2024!

# Welcome to the Conference

**I**t is my pleasure to welcome you to the 2024 New Mexico Transportation and Construction Conference.

In gathering for this annual event, we celebrate innovation, collaboration, and advancements in engineering. Our collective efforts shape the future of transportation infrastructure, construction methodologies and have the power to revolutionize how we move people and goods, build sustainable infrastructure, and create resilience in the systems and processes we design.

With that in mind, I extend my sincerest gratitude to our sponsors, vendors, speakers, volunteers, and steering committee members, as well as professional partners from the American Planning Association, New Mexico; New Mexico Section of the American Society of Civil Engineers; American Council of Engineering Companies, New Mexico; Associated Contractors of New Mexico; New Mexico offices of the Federal Highway Administration; Asphalt Pavement Association of New Mexico; and, New Mexico Department of Transportation for the support and ideas that make this conference possible. Thank you.

Over the course of the next few days, we will hear about the latest advancements and exchange invaluable insights in several thematic areas, including safety, bridge infrastructure, innovative technologies, research, funding, infrastructure maintenance, and more.

May our time together inspire new ideas, collaborations, and solutions that will shape a brighter future for all New Mexicans and generations to come.

Warm regards,

**Craig Newton, Ph.D.**

Introduction: Dan Aguirre, P.E., Senior Vice President, Public Infrastructure,  
Wilson & Company

Speaker: Ricky Serna, Cabinet Secretary, New Mexico Department of  
Transportation

**2:20 p.m. .... Update from the American Society of Civil Engineers**

Introduction: Dan Aguirre, P.E., Senior Vice President, Public Infrastructure,  
Wilson & Company

Speaker: Marsia Geldert-Murphey, P.E., FASCE, President, American Society of  
Civil Engineers (ASCE) Global

**2:50 p.m. .... Announcement: Booth Champions Challenge**

Speaker: Gabby Contreras-Apodaca, P.E., Senior Associate & Southwest BCPL,  
Stantec

**3:00 p.m. .... Break and Vendor Exhibits** **HALLWAY**

A refreshment station is located outside the ballrooms at the east end of the  
building.

**3:30 – 5:00 p.m. .... TRACK 1: Transportation Research**

**TRACK 1 BALLROOM**

Moderator: TBA

**Title 1:** What Goes into Producing the Concrete, Asphalt, and Precast/Prestressed Products of Tomorrow, Today? Presenter: Stanley P. Jobe, Owner, Jobe Materials, L.P.

**Title 2:** Energy Impacts of Traffic-Smoothing Cruise Controllers on Mixed Traffic. Presenter: Jose Carlos Acedo Aguilar, Graduate Student, University of Texas-El Paso

**Title 3:** Accelerated Sulfate Attack Testing. Presenters: Saleh Mousavinezad and Craig Newton, Ph.D., New Mexico State University

**Title 4:** Supplementary Cementitious Materials to Mediate Alkali-Silica Reaction. Presenters: Judit Garcia and Craig Newton, Ph.D., New Mexico State University

**3:30 – 5:00 p.m. .... TRACK 2: Transportation Safety**

**TRACK 2 EXHIBIT HALL**

Moderator: Daphne Espejel-Garcia, Ph.D., Engineering Faculty, Universidad Autónoma de Chihuahua

**Title 1:** Road Infrastructure Safety – A Storymap Collection of Road Safety Audits in New Mexico: 2012-2023. Presenter: Alma D. Pacheco, GIS Analyst, NMDOT Planning Division-Multimodal Planning and Programs Bureau

**Title 2:** Increasing Driver Awareness with Connected Work Zones. Presenter: Kirk Thrasher, Southwest Regional Sales Manager, Horizon Signal Technologies, Inc.

**Title 3:** NMDOT RSA Guidebook. Presenters: Paul Barricklow, P.E., PTOE, Lee Engineering; Jason Coffey, HSIP Technical Unit Supervisor, NMDOT

**Title 4:** Intelligent Urban Mobility: Channeling Data for Enhanced Traffic Safety in Chihuahua, Mexico. Presenter: Daphne Espejel-Garcia, Ph.D., Engineering Faculty, Universidad Autónoma de Chihuahua

**3:30 – 5:00 p.m. .... TRACK 3: Bridge Infrastructure Construction TRACK 3 BALLROOM 2**

Moderator: Kimberly Coleman, P.E., Engineering Manager, NMDOT Bridge Bureau

**Title 1:** Sunport Blvd. Extension: Paving the Way for Future Infrastructure. Presenter: Logan Brandenburg, P.E., Vice President, Traffic and Transportation, Bohannon Huston, Inc.

**Title 2:** Eliminating a 100-Mile Detour – Gila River Bridge Slides. Presenters: Robert Ringwald, P.E., S.E., Associate Vice President, AECOM, and Ben Ansley, P.E., Senior Bridge Engineer, AECOM

**Title 3:** 4th Street Over I-40 Bridge Slides. Presenters: Robert Ringwald, P.E., S.E., Associate Vice President, AECOM, and Ben Ansley, P.E., Senior Bridge Engineer, AECOM

## THURSDAY, APRIL 18, 2024

**7:00 a.m. .... Breakfast: EXHIBIT HALL**

Assorted breakfast burritos and salsas, fruit brochettes, coffee, tea, juice

### **2024 Student Poster Session and Competition**

Moderator: Qianyun (Gloria) Zhang, Ph.D., Assistant Professor, Department of Civil Engineering, NMSU

**8:15 – 9:45 a.m. .... TRACK 1: Innovation and Technology TRACK 1 BALLROOM 1**

Moderator: Edward Halbig, NMDOT Research and Climate Bureau Chief

**Title 1:** An Impact Evaluation of Strategic Cyberattacks on Autonomous Vehicles: Safety, Mobility, and Energy Consumption. Presenter: Fernando Sepulveda, Undergraduate Research Assistant, University of Texas-El Paso

**Title 2:** Remote Sensing on Highways: Inventory and Evaluation with Photogrammetry for Roads Conservation. Presenter: Miguel Mendez, M.E., Engineering Faculty, Universidad Autónoma de Chihuahua

**Title 3:** Multidimensional Modeling for Multidimensional Projects: 2D Hydraulic Modeling for Highway Projects Across New Mexico. Presenters: Vince Steiner, P.E., CFM, Water Resources Engineer, Bohannon Huston, Inc. and Madeline Olivas, P.E., Water Resources Engineer, Bohannon Huston, Inc.

**8:15 – 9:45 a.m. .... TRACK 2: Communities and Environment TRACK 2 BALLROOM 2**

Moderator: Marisa Maez, Senior Strategic Communications Consultant, HDR

**Title:** Connecting with Remote and Rural Communities: Simple Methods to Create Meaningful Public Engagement.

#### **Panelists:**

**Marilyn Ochoa**, Field Operations Supervisor, Federal Highway Administration

**Jennifer Mullins**, NEPA Public Engagement Specialist, New Mexico Department of Transportation

**Mo Moabed**, P.E., County Engineer, Doña Ana County, New Mexico Public Works Department

**Vernon Lujan**, Deputy Chief Operations Officer and Chairman of the Northern Pueblos

**8:15 – 9:45 a.m. .... TRACK 3: Funding**

**TRACK 3 ROOMS 7-9 (WEST END)**

Moderator: TBA

**Title 1:** Electrification Lifecycle: From Funding to Design. Presenters: Sydney Maves; Dorottya (Dora) Miketa, AICP, PP; and, Brent Molendyk, TYLin

**Title 2:** Connecting Capital to Communities. Presenters: Boya Dai, AICP; and Robert McHaney, AICP, CTP, The Goodman Corporation

**Title 3:** Leveraging Public Private Partnership to Increase Safety and Connectivity on NM 109/Jarales Rd. Presenters: Sandra Lopez, P.E., Technical Support Engineer, New Mexico Department of Transportation, and Stephen Lujan, P.E., Transportation Engineer & Project Manager, Wilson & Company

**9:45 a.m. .... Break and Vendor Exhibits**

**HALLWAY**

A refreshment station is located outside the ballrooms at the east end of the building.

**10:00 – 11:30 a.m. .... TRACK 1: Infrastructure Maintenance**

**TRACK 1 BALLROOM 2**

Moderator: Zhe Wan, Ph.D., Assistant Professor, NMSU Department of Civil Engineering

**Title 1:** Enhancing Road Network Performance with Cost-Effective Rehabilitation Techniques. Presenter: Jenna Bowers, P.E., Recycling and Stabilization Innovation Manager, Ingevity Pavement Technologies

**Title 2:** Survival Life and Life-Cycle Cost Analysis of Airfield Pavement Markings  
Presenter: Zhe Wan, Ph.D., Assistant Professor, NMSU Department of Civil Engineering

**Title 3:** City of Albuquerque Complete Streets Maintenance Program. Presenters: Bridgete Garret, Project Manager, Department of Municipal Development, City of Albuquerque and Andrew Sutliff, P.E., Lead Civil Engineer, WSP USA Inc.

**Title 4:** Enhancing Culvert Capacity Assessment Through Regression Analysis of DEM Data  
Presenters: S.M. Asaduzzaman Reshad; Huidae Cho, Ph.D., P.E., CFM, GISP, New Mexico State University

**10:00 – 11:30 a.m. .... TRACK 2: Construction**

**TRACK 2 BALLROOM 1**

Moderator: Brian Legan, Director of Operations, Associated Contractors of New Mexico; Ross Lujan, Associated Vice President, TYLin

**Title 1:** Techniques to Maximize Construction Resources.  
Presenter: Mike Moehn, P.E., Fisher Sand and Gravel NM, Inc.

**Title 2:** Advanced Communication for Construction with AI.  
Presenter: Emiliano Martinez, P.E., Albuquerque Asphalt, Inc.

**Title 3:** Build America Buy America - NMDOT Update.  
Presenter: Jessica Hunter, P.E., NMDOT

**Title 4:** Variable Depth Milling and Paving.  
Presenter: Mark Larranaga, Topcon Positioning Systems

**10:00 – 11:30 a.m. .... TRACK 3: Transportation Safety**

**TRACK 3 ROOMS 7-9 (WEST END)**

Moderator: TBA

**Title:** Transportation Safety, a Vision for Tomorrow

**Panelists:**

Using New Mexico’s Crash Data Dashboard. - Tommy Myszka, P.E., RSP1, Highway and Traffic Safety Engineer and Project Manager, Jacobs Engineering

Examining New Mexico’s Interstates Through a Safety Lens. - Mahdi Rajabi, Ph.D., Roadway Safety Technologist, Jacobs Engineering

Vulnerable Road User Safety in New Mexico. - Brandon Gonzalez, AICP, Principal, SW Regional Lead, Alta Planning + Design, Inc.

Strategic Highway Safety Plan for New Mexico. - Jason Coffey, Technical Unit Supervisor, Multimodal Planning and Programs Bureau, NMDOT

## Howie Morales

### LIEUTENANT GOVERNOR NEW MEXICO

**A**s New Mexico's Lieutenant Governor since 2019, Howie Morales has been an outspoken leader for students, educators, and classrooms – and a strong voice for small businesses and rural communities. He has been a champion of the state's colleges, universities, and career and technical programs. Morales has advocated successfully for better pay, benefits, and more respect for educators throughout the entire educational system.

As Lieutenant Governor, Morales serves as Chairman of the Aerospace States Association's New Mexico Chapter, promoting that exciting new industry in the state. He oversees meetings of the State Board of Finance, which supervises and provides oversight of the fiscal affairs of New Mexico. Morales also serves on the state Mortgage Finance Authority Board of Directors, supporting affordable housing and home ownership for New Mexicans. He is a member of the board of the New Mexico Border Authority, providing leadership in the development of the state's burgeoning international ports, and supporting new infrastructure, trade opportunities and job opportunities for a productive economy along the border.

Morales has been a thought leader with the National Lieutenant Governor's Association, where he has served on the Policy Committee of that body, composed of his fellow second-in-command colleagues.

Prior to becoming the state's 30th Lieutenant Governor, he served in the New Mexico Senate for 11 years on the influential State Legislative Finance Committee.

A native of Silver City, where he still resides with his two children, Morales earned a Ph.D. in Education from New Mexico State University – going on to be a classroom teacher and successful coach for a decade.

## **Ricky Serna** CABINET SECRETARY NEW MEXICO DEPARTMENT OF TRANSPORTATION

**R**icky Serna has worked in public education and state government for over a dozen years and previously served as acting leadership for the Department of Workforce Solutions and the State Personnel Office.

Prior to joining the Lujan Grisham administration, he served as the interim president at Luna Community College, where he successfully led an effort to overcome significant accreditation and governance challenges. He also served as the Vice President for Advancement at Northern New Mexico College and spent nearly five years with the New Mexico Higher Education Department, providing field oversight for a statewide project aimed at increasing student graduation rates within 21 school districts.

Serna has served on the New Mexico Highlands University Board of Regents, NM JTIP Board, the Las Vegas City Schools Board of Education, the New Mexico Educational Assistance Foundation, and as president of the Española Valley Chamber of Commerce Board. A first-generation college graduate from Española, N.M., he earned a bachelor's degree in elementary education and a master's degree in educational leadership, both from New Mexico Highlands University.

# Marsia Geldert-Murphey, P.E., F.ASCE

## 2024 PRESIDENT, AMERICAN SOCIETY OF CIVIL ENGINEERS (ASCE) GLOBAL

**S**pecializing in transportation and geotechnical engineering, Geldert-Murphey currently works for the Lochmueller Group, a Midwestern consulting firm, where she is the regional director for the states of Missouri and Illinois. She has three decades of experience in civil engineering and construction.

An ASCE member since 1990, Geldert-Murphey is the former chair of the Public Policy and Practice Committee. She served on the ASCE Board of Direction from 2016-2019 as the Region 7 director. Her extensive ASCE activities include service on several Society-level committees such as program and finance, leader training, and diversity and women, as well as serving as a mentor. She also led the St. Louis Section as president in 2006.
